PROFESSIONAL OVERVIEW

Full-Stack Software Developer with 2+ years of experience building practical and scalable web applications. Comfortable working across the stack — from crafting clean UI with Tailwind CSS to designing REST APIs and managing deployments. I enjoy writing maintainable code, solving real-world problems, and learning new things as I go. Currently working at Bloom Digital Media where I've contributed to projects across HR, education, ad services, and internal tools.

WORK EXPERIENCE

Junior Software Engineer

Bloom Digital Media Ltd, Abuja
Jan 2025 – Present

- Develop and maintain full-stack web applications using **Laravel**, **React**, **Node.js/Express**, and **Tailwind CSS**
- Build RESTful APIs and backend services with a focus on reusable, secure, and well-structured logic
- Collaborate on both frontend design and backend architecture to create seamless user experiences
- Built and maintained internal tools like an HR management system, LMS, ad services platform (with payment), and multiple landing pages
- Worked on mobile app features and integrations
- Contributed to system deployment, subdomain setups, email configuration, and IT support across the team

Junior Web Developer Intern

Bloom Digital Media Ltd, Abuja
Sept 2023 – Apr 2024

- Assisted in building full-stack web apps and internal tools
- Gained hands-on experience working with **PHP**, **JavaScript**, **Tailwind**, and **NGINX**
- Provided IT support including email setup/deletion and system configurations
- Contributed to frontend and backend tasks in live projects under senior developer guidance

IT Intern

National Lottery Commission, Abuja
June 2020 – Nov 2020

- Worked in the IT department providing support to staff
- Gained exposure to **Java-based applications** and basic troubleshooting
- Assisted in documentation, setups, and basic maintenance activities

EDUCATION

Bachelor's degree, 2024
Computer Science.
Federal University of Technology, Minna, Niger State.
Senior Secondary School Certificate, 2018.
Federal Government Boys College, Apo, Abuja.
